

# Shining Light

Annie Lennox

Roman candles that burn in the night  
Yeah, you are a shining light  
You lit a torch in the empty night  
Yeah, you are a shining light  
Yeah, you light up my life You've always been a thorn in their side  
But to me you're a shining light  
You arrive and the night is alive  
Yeah, you are a shining light  
Yeah, you light up my life We made a connection, a full chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen over Royal David's city  
An epiphany, you burn so pretty  
Yeah, you are a shining light You are a force, you are a constant source  
Yeah, you are a shining light  
Incandescent into the darkest night  
Yeah, you are shining light And all blood I would sacrifice  
For you are my shining light  
Sovereign bride of the infinite  
Yeah, you are a shining light  
Yeah, you light up my life We made a connection, a full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen over Royal David's city  
An epiphany, you burn so pretty  
Yeah, you are a shining light These are the days you often say  
There's nothing that we cannot do  
Beneath a canopy of stars  
I'd shed blood for you The North Star in the firmament  
You shine the most bright  
I've seen you dressed in an electric veil  
Shrouded in celestial light We made a connection, a full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen over Royal David's city  
An epiphany, you burn so pretty  
Yeah, you are a shining light  
You are a shining light  
You are a shining light, ooh yeah
