

# Sweet Sixteen

## Destiny's Child

You couldn't tell little Jackie nothin'  
Sixteen thought she knew it all  
She was searching for the love she missed yeah  
And so she ran away Slow down  
You're moving way too fast  
Sixteen  
There's so much for you to have  
Sweet Sixteen  
Do you know where you're running to?  
Do you know? Sweet Sixteen She fell in love with a man who was so fine (so fine)  
He made her promises yeah  
She didn't stopped to think if he was serious no no no  
Until she had his baby, sweet sixteen Slow down  
You're moving way too fast  
Sixteen, there's so much for you ahead, oh  
Sweet Sixteen Sweet Sixteen oh  
Do you know where you're goin' to?  
Feel like you've got no where to go Sixteen years  
Sixteen prayers  
Sixteen reason why I care  
Sixteen tears  
You're sixteen still  
Sweet sixteen, girl I know you're feelin' lonely  
I know you're feeling lonely  
Who you gonna turn to?  
(Who you gonna turn to?)  
Feels like the world is closing in on you (on you, on you)  
Sweet sixteen You need to cherish what you have  
You can forget about the past  
Now you can start all over  
You can start all over and  
Cherish your life Slow down  
You're moving way too fast  
Your only Sixteen  
There's so much more to life ahead oh  
Sweet Sixteen  
Sweet Sixteen, oh  
Do you know where you're running to?  
Sweet Sixteen

Girl I know  
It gets hard so take it slow Sweet Sixteen, Sweet Sixteen  
Do you know where you're going to?  
Do you know, do you know, do you know?  
Where you're going to yeah Sweet Sixteen  
At sixteen (at sixteen)  
Do you know (do you know)  
Do you know where you're going to  
Do you know where you're going to  
Do you know where you're going to (slow down)  
You're moving way too fast  
Do you know where you're going to  
Sweet Sixteen  
Do you know where you're going to (Sweet Sixteen)  
Sweet Sixteen  
Sweet Sixteen  
(At sixteen)  
Sweet Sixteen, Sweet Sixteen  
Sweet Sixteen ooh  
(Sweet Sixteen)  
At sixteen This is for you miss Ann  
Who is now with our Heavenly Father  
Who made the real Commandments
