

Like Strangers

Emmylou Harris

Like strangers, that's what we are
Darlin', how can lovers pull apart so far
Like strangers, how can it be?
Only days ago, we loved so tenderly I love you, truly I do
And I hope deep in your heart
You love me too Let's forget that we've been angry
Let's be lovers like before
And swear not to be like strangers anymore Like strangers, that's what we are
Darlin', how can lovers pull apart so far
Like strangers, how can it be?
Only days ago, we loved so tenderly I love you, truly I do
And I hope deep in your heart
You love me too Let's forget that we've been angry
Let's be lovers like before
And swear not to be like strangers anymore Let's forget that we've been angry
Let's be lovers like before
And swear not to be like strangers anymore {Oh!
Thank you, thank you very much
Pleased to do a four sets a night at the Red Fox Inn and
But that's at Maryland between the hours of eight and twelve
With the same audience. They were pretty good
They weren't nearly as nice as you folks
I have to say there was always
Some guy out in the audience screaming
For Fox and their runner Orange passes special
Because, I didn't have a fiddle player in the band
And, anyway those days are gone
But, I think, we did run into that guy
He's still following me around, but he's not here tonight so
Dedicate this song to him. His name is Dick wherever he is
What I'm, I'm serious, I'm serious, what
Alright }
