

Warriors Of The World

Ski King

Here I see you stand from all around the world

Waiting in a line to hear the battle cry

All are gathered here, victory is near

The sound will fill the hall, bringing power to us allWe alone are fighting for metal that is true

We own the right to live the fight, we're here for all of you

Now swear the blood upon your steel will never dry

Stand and fight together beneath the battle skyBrothers everywhere - raise your hands into the air

We're warriors, warriors of the world

Like thunder from the sky - sworn to fight and die

We're warriors, warriors of the worldMany stand against us, but they will never win

We said we would return and here we are again

To bring them all destruction, suffering and pain

We are the hammer of the gods, we are thunder, wind and rain.There they wait in fear with swords in feeble
hands

With dreams to be a king, first one should be a man

I call about and charge them all with a life that is a lie

And in their final hour they shall confess before they dieIf I should fall in battle, my brothers who fight by my
side

Gather my horse and weapons, tell my family how I died

Until then I will be strong, I will fight for all that is real

All who stand in my way will die by steelBrothers everywhere - raise your hands into the air
We're warriors, warriors of the world
