

# Stella By Starlight

George Benson

The song a robin sings,  
Through years of endless springs,  
The murmur of a brook at eventide,  
That ripples by a nook where two lovers hide. That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on earth to me. That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and i agree,  
She's everything on earth to me.
