Knackelflerg

Neil Diamond

Knackelflerg, that little word
It says what you meant to me
You've been awfully fineKnackelflerg, I've never heard
A word that says more, for sure
And you're only mineThe silly way you hold my klarg
When I'm alone with only you
The way you touch this foolish heart
They way you do the things you tryKnackelflerg, that tiny word
It says what you mean to me
You've been awfully fineKnackelflerg, I've never heard
A word that says more, for sure
And you're only mineI've heard a thousand times before
That love is always playing games
But when I see that boop of yours
You set my eyebrows up in flamesKnackelflerg, that tiny word
It says what you mean to me
You've been awfully fineKnackelflerg, I've never heard
A word that says more, for sure
And you're only mine
One more, fella's
Knackelflerg
