## Neil Diamond

Knackelflerg, that little word  
It says what you meant to me  
You've been awfully fineKnackelflerg, I've never heard  
A word that says more, for sure  
And you're only mineThe silly way you hold my klarg  
When I'm alone with only you  
The way you touch this foolish heart  
They way you do the things you tryKnackelflerg, that tiny word  
It says what you mean to me  
You've been awfully fineKnackelflerg, I've never heard  
A word that says more, for sure  
And you're only mineI've heard a thousand times before  
That love is always playing games  
But when I see that boop of yours  
You set my eyebrows up in flamesKnackelflerg, that tiny word  
It says what you mean to me  
You've been awfully fineKnackelflerg, I've never heard  
A word that says more, for sure  
And you're only mine  
One more, fellas
