

Calling You

Barbra Streisand

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little cafe just around the bend I am calling you
(Don't you hear me)
I am calling you A hot dry wind blows right through me
The baby's crying and I can't sleep
But we both know a change is coming
Coming closer, a sweet release
I am calling you
(I know you hear me?)
I am calling you I'm gonna walk through the desert to find you
Gone leave behind the only life I know
There's a place for hearts that need fixing
A little cafe with a magic show
I am calling you
(Can't you hear me?)
I am calling you Desert road from Vegas to nowhere
That coffee machine still needs fixing
