All I Ever Wanted

Brian Melo

Slow down, make it last
I'm having the time of my life
And take your photograph
I don't want to leave this behindWhat seems so out of reach
We're holding it right in our hands
Let's give up everything
Let's jump in and never look back
Let's Jump in and never look backSlow down, make it last
I'm having the time of my life
And take your photograph
I don't want to leave this behindWhat seems so out of reach
We're holding it right in our hands
Let's give up everything
Let's jump in and never look backThis is all I ever wanted
But life got in my way
You're all I ever wanted
I didn't see how it could change
That something was missing until todayThe city comes alive
As soon as you walk through the door
Another sleepless night
But I don't want to sleep anymore
I don't want to sleep anymoreThis is all I ever wanted
But life got in my way
You're all I ever wanted
I didn't see how it could change
That something was missing until todayClimbing so high
Just don't look down
We can see everything from here
For once in my lifeFeet off the ground
I don't wanna come back down
So take your photograph
I'm having the time of my lifeThis is all I ever wanted
But life got in my way
You're all I ever wanted
I didn't see how it could changeThis is all I ever wanted
Nothing could get in the way
You're all I ever wanted
I didn't know
What I was missing until today
