

# All I Ever Wanted

Brian Melo

Slow down, make it last  
I'm having the time of my life  
And take your photograph  
I don't want to leave this behind What seems so out of reach  
We're holding it right in our hands  
Let's give up everything  
Let's jump in and never look back  
Let's Jump in and never look back Slow down, make it last  
I'm having the time of my life  
And take your photograph  
I don't want to leave this behind What seems so out of reach  
We're holding it right in our hands  
Let's give up everything  
Let's jump in and never look back This is all I ever wanted  
But life got in my way  
You're all I ever wanted  
I didn't see how it could change  
That something was missing until today The city comes alive  
As soon as you walk through the door  
Another sleepless night  
But I don't want to sleep anymore  
I don't want to sleep anymore This is all I ever wanted  
But life got in my way  
You're all I ever wanted  
I didn't see how it could change  
That something was missing until today Climbing so high  
Just don't look down  
We can see everything from here  
For once in my life Feet off the ground  
I don't wanna come back down  
So take your photograph  
I'm having the time of my life This is all I ever wanted  
But life got in my way  
You're all I ever wanted  
I didn't see how it could change This is all I ever wanted  
Nothing could get in the way  
You're all I ever wanted  
I didn't know  
What I was missing until today
