Oh!

Micky Green

Ooh ooh ooh ooh
Ooh ooh ooh ooh
I don't think you realize
Don't think that you recognize
Just how much you mean to me
And that you make me so happy
I wish that you were happy too
Because it means so much to me

And oh! I know that we've got better days
And oh! I'm sure that we will conquer the world

I regret what I don't have said
I screwed up things inside your head
But all I want is for you to know is that
When you grow old you won't remember it at all

And oh! I know that we've got better days
And oh! I'm sure that we will conquer the world
And oh! I know I love you more than anything
And oh! I'm sure that I will make you happy

And we'll be together
I know, it shows in your eyes
Your green eyes, your brown eyes
It doesn't really matter

And oh! I know I love you more than anything
And oh! I'm sure that I will make you happy

And we'll be together,
I know it shows in your eyes
Your green eyes, your brown eyes
It doesn't really matter anymore
Oh! Oh! Oh! Oh!

It don't matter no more
It don't matter no more
It don't matter no more
It don't matter no more
