

# Addictive Love

Bebe & Cece Winans

All I wanna do is just explain  
Why that we feel the way we do  
What a joy to share with you  
For me to live is Christ, to die is gain  
If anymore I need to say  
The list goes on and on all day  
I'll cherish that moment for life  
And I know it might sound crazy  
It's alright, take a seat, hold tight  
Time to admit  
Time we should admit it  
I'm so addicted, yeah  
You see, He's taken my heart  
And showed me the right way  
No doubt about it  
Doubt it, no doubt  
See, I'm lost without it, yeah  
You see this love takes me higher  
I didn't know why then  
I found it was addictive love, yeah  
Now that we've evened up the score  
Hey, what do you mean there's so much more  
I need to tell why we adore  
The reason why I smile when I, when I wake up  
And also the reason why I dream  
Reason why I dream  
My love, my joy, my everything  
And I'll cherish that moment for life  
And I know it might sound crazy  
It's alright, take a seat, hold tight  
Time to admit  
Time we should admit it  
I'm so addicted, yeah  
You see, He's taken my heart  
Taken my heart, y'all  
And showed me the right way  
There's no doubt about it, no  
Doubt it, no doubt  
I'm lost without it, yeah  
You see this love takes me higher  
I didn't know why then  
You see I found it was addictive love  
So much love

He's given to me everything I longed for  
Everything I need  
That means I'm never alone, so glad  
And everything I've dreamed and much more  
So much more  
And I'll cherish that moment for life  
For the rest of my life, yeah, yeah  
And I know it might sound crazy but, no  
I'm not crazy  
I've never known anyone to love me quite the way you do  
And I tell you  
It's hopeless, I've finally noticed that  
I'm just forever addicted, forever  
Forever in love, Time to admit  
Time we should admit it  
Hold tight  
You see, He's taken my heart  
And showed me the right way  
Showed me the way  
There's no doubt about it  
Show me the right way  
See, I'm lost without it, yeah  
You see this love takes me higher  
Higher  
I didn't know why then  
I didn't know why, I didn't know I was addicted Time to admit  
Time we should admit it  
Hey, yes, I am  
You see, He's taken my heart  
My heart  
And showed me the right way  
Showed me the way  
There's no doubt about it  
Doubt it, no doubt  
See, I'm lost without it, yeah  
You see this love takes me higher  
A little bit higher  
I didn't know why then Time to admit  
Time we should admit it  
I'm so addicted, yeah  
You see, He's taken my heart  
Taken my heart, y'all  
And showed me the right way  
Showed me the way  
There's no doubt about it

Doubt it, no doubt  
See, I'm lost without it, yeah  
You see this love takes me higher  
I didn't know why then
