School is out

Gary U.S.Bonds

School is out now we're gonna have some fun
We're gonna make like we are the only ones
I'm gonna buy a piece of the sky and sell passing clouds
I'm gonna be a mayor of some small town and tax the crowds
I'm gonna be a local surveyor and study the foreman guilds
I'm gonna line up some of the finest girls that are in the world
We're coming out of school today
And we're so happy to be alive
It's gonna be the best day
The best day of our lives
I'm gonna be a history maker, I'll call myself Richard the Third
I'm gonna buy an amplifier and shout out, "Have you heard?"
We're coming out of school today
And we're so happy to be alive
It's gonna be the best day
The best day of our lives
We're coming out of school today, baby
We're coming out of school today
We're coming out of school today
School is out of school today
