

# Bite the Dust

## Coldburn

Bite the dust  
Trust me, anything you can do  
I can do better than you  
Bite the dust  
Some things really impossible  
You're no exception to rules  
Bite the dust  
How many times I go to tell you?  
People need to see you  
Bite the dust  
You see, I'm really helping you  
I'm keeping you from looking a fool  
She's got a plan to have my man  
She's going to have to deal with me

Oh, sugar I got him  
I got 20/20 vision  
I can see that you want my man  
Ooh, sugar I got him  
'Cause it's my job  
To make you understand  
Ooh, sugar I got him  
Try to make a move  
And I'm on him like 5-0  
Ooh, sugar I got him  
So you can go  
'Cause I got him  
Got him

Bite the dust  
Big girl, I really hope  
You get the message I'm trying to convey  
Bite the dust  
'Cause you're pushing me to the edge  
And I ain't got time to play  
Bite the dust  
How many times I got to tell you?  
He's where he wants to be  
Bite the dust

Keep on, act like you didn't know  
My hands going to do the talking today  
She's got a plan to have my man  
She's going to have to deal with me

Ooh, sugar I got him  
I got 20/20 vision  
I can see that you want my man  
Ooh, sugar I got him  
'Cause it's my job  
To make you understand  
Ooh, sugar I got him  
Try to make a move  
And I'm on him like 5-0  
Ooh, sugar I got him  
So you can go  
'Cause I got him  
Got him

Oh  
Oh  
Give it up  
Give it up (Oh)  
Give it up  
Give, give, give it up

I know what she wants  
I know  
My man  
She's got a plan to have my man  
She's going to have to deal with me

Ooh, sugar I got him  
I got 20/20 vision  
I can see that you want my man  
Ooh, sugar I got him  
'Cause it's my job  
To make you understand  
Ooh, sugar I got him  
Try to make a move  
And I'm on him like 5-0  
Ooh, sugar I got him  
So you can go  
'Cause I got him

Got him  
Bite the dust  
I got 20/20 vision  
I can see that you want my man  
Bite the dust  
'Cause it's my job  
To make you understand  
Bite the dust  
Try to make a move  
And I'm on him like 5-0  
Bite the dust  
So you can go  
'Cause I got him  
Got him

Your other girl bites the dust  
(Yeah)  
Your other girl bites the dust  
(Yeah)  
Your other girl bites the dust  
(Yeah)  
Your other girl bites the dust  
(Yeah)
