Don't Close Your Eyes

Kiki

I know you loved her
A long time ago
Even now in my arms
You still want her I know
But darlin this time
Let your memories die
When you hold me tonight
Don't close your eyes
Chorus-
Don't close your eyes
Let it be me
Don't pretend its her
In some fantasy
Darlin' just once
Let yesterday just go
And you'll find more love
Than you've ever known
Just hold me tight
When you love me tonight
Don't close your eyes
Maybe i've been a fool
Holding on all this time
Lying here in your arms
knowing she's in your mind
But I keep hoping someday

That you'll see the light
Let it be me tonight
Don't close your eyes
Chorus-
Don't close your eyes
Let it be me
Don't pretend its her
In some fantasy
Darlin' just once
Let yesterday just go
And you'll find more love
Than you've ever known
Just hold me tight

When you love me tonight
Don't close your eyes
Chorus-
Don't close your eyes
Let it be me
Don't pretend its her
In some fantasy
Darlin' just once
Let yesterday go
You'll find more love
Than you've ever known
Just hold me tight
When you love me tonight
Don't close your eyes
