Always

Air Supply

I can see hills touch the sky
Heaven and earth, you and I
Know we will always beHere in the silence we lie
Shadows we cast, you and I
Speak for eternityPressed between pages flowers will die
Stories may end as time passes by
You and I will always beWith every word that I hear
Whenever whispers are near
I can believe in fatePromises made, only one
Yesterday fades from the sun
And falls to a new embraceTears overflow as rivers run dry
Here in a moment of time passing by
You and I will always be, for alwaysPressed between pages flowers will die
Stories may end as time passes by
You and I will always be, will always be
