Far Away

Nicotine

Far away I walk the way
To take your breath away
I'm loosing all my friends
Far away I walk the way
To take your breath away
I'm losing all my sense
So many people They got me crazy
Too many problems Outta control
Who's gonna save me? Wait for the answer
Who's gonna tell me? Where are you going?
Now the time Get up yourself
Fuck the school You never learn a lot
Think about yourself Not neighbors
1, 2, 3, 4, 5, 6 Breaking all the rulesHey, man! tell me now
I wanna know how's ya feeling?
Never be worried! Don't be afraid!
I'm gonna show you
I'm waiting for your wordsSo many traffic I'm going lazy
Too many trouble Nobody wants
Who's gonna trust me? Nobody told me
Whatever you say I'm gonna run away
For a while Behave yourself
Sooner or later You get a better chance
Talk about the fuckin' bullshit
Humpty Dumpty
Why are you sitting on the wall?Hey, man! Tell me now
I wanna know how's your feeling
Never be worried! Don't be afraid!
I'm gonna show you
I'm waiting for your words
I'm waiting for your words
