

In the Backseat

Arcade Fire

I like the peace in the backseat
I don't have to drive, I don't have to speak
I can watch the country side
And I can fall asleepMy family tree's losing all it's leaves
Crashing towards the driver's seat
The lightning bolt made enough heat
To melt the street beneath your feetAlice died in the night
I've been learning
To drive my whole life
I've been learningI like the peace in the backseat
I don't have to drive, I don't have to speak
I can watch the country sideAlice died in the night
I've been learning
To drive my whole life
I've been learning
