

Time and Again

Warhaus

I never pick a fight with my mister Hyde
I'm just a corner man, baby
Standing by with a towel
Whenever i look back it's all just quack, quack, quack Although you wouldn't believe me
I wouldn't lie again Time and again
I'll never change
Time and again
I'll never change
Time and again
I'll never change
Time and again
Again and again
Time and again
I'll never change
Time and again
I'll never change
Time and again
Again and again and again
