God Is Watching You (LP Version)

Leslie Phillips

When your life's about to start, God is watching you
When you have a shattered heart, God is watching you
When you're a slave and when you're freed, God is watching you
When what you call love's really need, God is watching youGod is watching you
God is watching youWhen you wake up in the night, God is watching you
When you're dancing in the light, God is watching you
When you don't need to use force, God is watching you
When you don't ever feel remorse, God is watching youWhen you're a hero to us all, God is watching you
When you take that fated fall, God is watching you
When you hide your head in the sand, God is watching you
When you find a brand new land, God is watching youWhen out of fear you judge your friend, God is watching you
When you let a stranger in, God is watching you
When you always have to win, God is watching you
When love requires that you give in, God is watching youWhen you play the cards you're dealt, God is watching you
When you won't reveal yourself, God is watching you
When you believe enough to die, God is watching you
When you say your last goodbye, God is watching you
