

How We Get Along

Jurassic 5

{ Yeah, I'm maintaining with Jurassic 5
You know what I'm sayin'?
My peoples up here
Biggie B, one love } { What we're about to do, and to show you
Is how we get along
We get along with eye contact
We also get along by listening to one another
Not only that, but we also get along because of rhythms
That we've learned during the course of the years
But above all, there is harmony
Because we got to listen to one another
It's all about the feeling, but it's a positive attitude
To make it work
And what we're about to show you today
Is five different versions
Of feeling good, yeah } { B-Boys and B-girls
Jurassic 5 }
