Andelman's Yard

Mike Gordon

If you could go back to your old town
But this time dig a hole and tunnel underground
You'd be doing what I do
When I'm dreaming hard in a maze of tunnels
In the Andelmans' yardI forgot my problems or so it seems
I was able to leave them in another dream
But I got my friends and we're running hard
A few feet beneath the fallen leaves
In the Andelmans' yardWhen your voice is loud and I'm feeling small
And I dont even feel like saying anything at all
Don't be concerned if I'm caught off guard
My mind was trying to burrow like a groundhog
In the Andelmans' yardSometimes when it's dark and the dirt is damp
I pop up my head and I don't know where the hell I am
Then I take my mission back to my old boulevard
I got things to rearrange beneath the surface
Of the Andelmans' yard
