

Hideaway (Album Version)

The Corrs

It's time to change, throw out the books and start again
Break all the rules, fall on your face, don't be ashamed
You can't waste more time, 'cause you've been gone for far too long
Trapped in his arms, safe without harm
Follow your heart, don't be afraid You think that you're OK
But I don't believe in what you say
You think that it's too late
But it's not good, good enough for you Don't hide away
Cause I know that you've got what it takes
I believe you can be what you want to be Let yourself go, don't you worry about a thing
Breaking the chains - so hard to begin
Follow your heart, don't be afraid You think that you're OK
But it's not good, good enough for you Don't hide away
Cause I know that you've got what it takes
I believe you can be what you want to be Don't hide away
Cause I know that you've got, got what it takes
And I believe you can be what you want to be Don't hide away
Cause I know that you've got what it takes
I believe you can be what you want to be
You can be what you want to be
