What If It All Means Something

Chantal Kreviazuk

If I could do anything for you
Believe me I would
Do you feel the same
Feel the same as me?If I could be anyone for you
Believe me I would
I'm not ashamed
I'm not ashamed to beIts hard for me to know
Sometimes I feel like letting goBut what if it all means something
What if it all?
What if it all means something
What if it all?If I could go anywhere for you
Believe me I would
I'd run away, I'd run away
I'd leaveIf I could fix everything for you
Believe me I would
Do you feel the same
Feel the same as me?Its hard for me to know
Well maybe I should just let goBut what if it all means something
What if it all?
What if it all means something
What if it all?What if it all means something
I wanna know, what if it all ?
What if it all means something
What if it all?Leave me alone, I am falling apart
Leave me alone, I am fallingIf I could do anything for you
Believe me I would
Do you feel the same
Feel the same as me?Its hard for me to know
Well maybe I should just let goBut what if it all means something
What if it all?
What if it all means something
What if it all?What if it all means something
I wanna know, what if it all?
What if it all means something
What if it all?What if it all means something
I wanna know, what if it all?
What if it all means something
I wanna know, what if it all?
What if it all means something

I wanna know, what if it all?What if it all means something
What if it all?
I know it all means something
