Once In A While

Eddie Vedder

Once in a while will you try to give
One little thought to me
Though someone else may be
Nearer to your heart?

Will you dream of the moments
I shared with you
Before we drifted apart
Once in a while?

In love's smouldering embers
One spark may remain
If love still can remember
The spark may burn again

I know that I'll be contented
With yesterday's memory
Knowing you think of me
Once in a while

In love's smouldering embers
One spark may remain
If love still can remember
The spark may burn again

I know that I'll be contented
With yesterday's memory
Knowing you think of me
Once in a while
