

# Once In A While

**Eddie Vedder**

Once in a while will you try to give  
One little thought to me  
Though someone else may be  
Nearer to your heart?

Will you dream of the moments  
I shared with you  
Before we drifted apart  
Once in a while?

In love's smouldering embers  
One spark may remain  
If love still can remember  
The spark may burn again

I know that I'll be contented  
With yesterday's memory  
Knowing you think of me  
Once in a while

In love's smouldering embers  
One spark may remain  
If love still can remember  
The spark may burn again

I know that I'll be contented  
With yesterday's memory  
Knowing you think of me  
Once in a while
