

# When All the Stars Were Falling

[Lisa Loeb](#)

when all the stars were falling  
i reached up like you said  
all the stars were falling  
one hit me in the head  
and i fell down down down  
i fell down downwhen all the stars were falling  
they fell from above and i thought of hate  
and i thought of hate and then i thought of love  
i fell down down down  
i fell down downand i've learned how to dance  
from a vincent van gough  
and the knights were wrapped  
in a white sheet  
and now no one even says hello  
'cause i couldn't stand on my two feet  
i fell down  
i fell down  
down down down down down downnow the piece you will find on your own  
you've found  
lights in the city are the stars on the ground  
i may not be acquainted  
with living in a speed zone  
but i could be restfull  
i could be someone's home if i fell down  
and i fell down down  
now all the stars have fallen
