

Endless Hallelujah

[Matt Redman](#)

Let our praise be Your welcome
Let our songs be a sign
We are here for You, we are here for You

Let Your breath come from heaven
Fill our hearts with Your life
We are here for You, we are here for You

To You our hearts are open
Nothing here is hidden
You are our one desire
You alone are holy
Only You are worthy
God, let Your fire fall down

Let our shout be Your anthem
Your renown fill the skies
We are here for You, we are here for You

Let Your Word move in power
Let what's dead come to life
We are here for You, we are here for You

To You our hearts are open
Nothing here is hidden
You are our one desire
You alone are holy
Only You are worthy
God, let Your fire fall down

To You our hearts are open
Nothing here is hidden
You are our one desire
You alone are holy
Only You are worthy
God, let Your fire fall down
Let Your fire fall
We are here for You
Jesus here for You

We welcome You with praise
We welcome You with praise
Almighty God of love
Be welcomed in this place

We welcome You with praise
We welcome You with praise
Almighty God of love
Be welcomed in this place

Let every heart adore
Let every soul awake
Almighty God of love
Be welcomed in this place

We welcome You with praise
We welcome You with praise
Almighty God of love
Be welcomed in this place

Be welcomed be welcome
Come and take Your rightful place
We welcome You with praise
We welcome You today
The people of God
In the presence
Pouring out the praises of God
We welcome You
We welcome You
Jesus You
Jesus You

We welcome You with praise
We welcome You with praise
Almighty God of love
Be welcomed in this place

We welcome You with praise
We welcome You with praise
Almighty God of love
Be welcomed in this place

Let every heart adore
Let every soul awake
Almighty God of love

Be welcomed in this place

We welcome You with praise

We welcome You with praise

Almighty God of love

Be welcomed in this place

Come and take Your place
