

Falling Stars (Radio Edit)

Sunset Strippers

Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch a star, it's like
That must be what you are
Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
Trying to catch your heart is like
Trying to catch a star, it's like
That must be what you are Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah Waiting for a star to fall
And carry your heart into my arms
That's where you belong

In my arms baby, yeah Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms baby, yeah
