

Man On The Silver Mountain

Rainbow

I'm a wheel, I'm a wheel, I can roll, I can feel
And you can't stop me turning
'Cause I'm the sun, I'm the sun, I can move, I can run
But you'll never stop me burningCome down with fire
Lift my spirit higherSomeone's screaming my name
Come and make me Holy again
I'm the man on the silver mountain
I'm the man on the silver mountainI'm the day, I'm the day, I can show you the way
And look I'm right beside you
I'm the night, I'm the night, I'm the dark and the light
With eyes that see inside youCome down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me Holy againI'm the man on the silver mountain
I'm the man on the silver mountainCome down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me Holy againI'm the man on the silver mountain
I'm the man on the silver mountainWell I can you know I can
I'm the man on the silver mountain
I'm the man on the silver mountainJust look at me and listen
I'm the man, the man, give you my hand
I'm the man on the silver mountainCome down with fire
I'll lift your spirit higherI'm the man on the mountain
I'm the man on the silver mountainI'm the night the light the black and the white
The man on the silver mountain
