

# Rambling on my Mind

Eric Clapton

I've got rambling  
I've got rambling all on my mind  
I've got rambling  
I've got rambling all on my mind  
I hate to leave my baby  
'Cause she treats me so unkind I'm going down to the station  
Catch the fastest train I see  
I'm going down to the station  
Catch the fastest train I see  
I got the blues 'bout miss so-and-so  
And her son's got the blues about me Have you ever loved a woman  
So much you tremble in pain?  
Have you ever loved a woman  
So much you tremble in pain?  
And all the time you know  
She bears another man's name But you carry on lovin' that woman  
So much it's a shame and a sin  
You keep on lovin' that woman  
So much it's a  
But all the time you know  
She belongs to your very best friend Have you ever loved a woman  
And you know you can't leave her alone?  
Have you ever loved a woman  
And you know you can't leave her alone?  
But something deep inside of you  
Won't let you wreck your best friend's home I've got rambling  
I've got rambling all on my mind  
I've got rambling  
I've got rambling all on my mind  
I hate to leave my baby  
But she treats me so unkind
