

Escape The Nest

Editors

Buildings in clouds here
Our time and our place dear
There's life in us yet, love
These walls we will climb above
We really are ants now
Escape the nest somehow
I ache for a feeling
You came and you poured it in, it in
Buildings in clouds here
Our time and our place dear
There's life in us yet, love
These walls we will climb above, above [Chorus:]
Look up through the trees to feel as small as you can
You hear the clocks counting down
The nights are longer now than ever before
But now you see the lights from the town I'm drained and I'm empty
I've still got love in me
There's eyes in the sky tonight
Watching us lose the fight
We really are ants now
Escape the nest somehow
I ache for a feeling
You came and you poured it in, it in
