Lay It on Me

Ina Wroldsen

I don't know what to do
I don't know where to go
I am so close to you
And so out of control
I don't know how to help
There's nothing I can say
From heaven down to hell
Is a short way
And if I could let go of the hope, then maybe
I could sail a fortress being with you baby
Every night I lay me down
Fold my hands and close my eyes
Every night I pray for time
One more moment, one more try
I-i-i i want you to come back
O-o lay down
Here in my arms
I'll light up
Every dark on your way
Baby I love your pain
You can lay it on me
Yeah
You can lay it on me
Yeah
It's been so very long
But you're still here with me
And though I'm so alone, I'm thankful everyday
You're trying all the time
I know how bad it hurts
But we are on the line
That cannot let us burn
And if someone out there has a cure for this shit
I give my hope to get to it
Every night I lay me down
Fold my hand and close my eyes
Every night I pray for time
One more moment, one more try
I-i-i i want you to come back
O-o lay down

Here in my arms
I'll light up
Every dark on your way
Baby I love your pain
You can lay it on me
(You know you can lay it on me)
You can lay it on me
(You know you can lay it on me)
(You know you can lay it on me)
One more moment, one more try
I-i-i i want you to come back
O-o lay down
Here in my arms
I'll light up
Every dark on your way
Baby I love your pain
You can lay it on me
(You know you can lay it on me)
You can lay it on me
(You know you can lay it on me)
Yeah
(You know you can lay it on me)
You can lay it on me
(You know you can lay it on me)
