Mine All Mine

Crystal Bowersox

Baby, don't buy my flowers, don't buy me sweets,
Don't get me useless little things,
They don't make me complete,
I don't want your money honey,
Lord, it's kind of funny
I just, need your time,
And to know that your sweet love,
Is mine all mineMine all mine, baby are you mine all mine?
Boy cuz I am your fool,
For you I would walk the line,
Just in time, you came into my life
And, now I'm fine,
No one else will do, baby are you mine all mine?Don't buy me diamonds, don't buy me pearls,
Don't try to shoot the moon
Or promise me the world,
I don't care if our cupboards are bare
If there's gray in your hair
Oh we'll be just fine,
I just need to know,
That your sweet love, is mine all mineMine all mine, baby are you mine all mine?
Boy cuz I am your fool,
For you I would walk the line,
Just in time, you came into my life
And, now I'm fine,
No one else will do, baby are you mine all mine?Please play your guitar, sing me a song,
I don't care if the words are all there,
Or if the chords are all wrong,
I just want to lay here and listen
And give you my kissin' for soon I'll be gone
Honey I'll get by,
Knowing that you're mine all mineMine all mine, baby are you mine all mine?
Boy cuz I am your fool,
For you I would walk the line,
Just in time, you came into my life
And, now I'm fine,
No one else will do, baby are you mine all mine?Oh, no one else will do,
Baby are you mine all mine?
Honey, I love you, you're mine all mine
