

# Come See About Me

## Mystikal

[Da Brat]

Mystikal

What's up my nigga

It's Da Brat-tat-tat

Lettin' the whole motherfuckin' world Know I got your back

If you don't like what my nigga Mystikal do

Come see 'bout that shit

Step to it, know what I'm sayin' You don't like what the fuck I do, step to me

We 'gone see about your motherfuckin' ass, nigga

Huh, uh, uh [Da Brat]

If I do somethin' you don't like

Come and see about it

You want to box get 'cha dues somethin', or be 'bout it

And ride off into the sunset, With the windows down, feet out it

I got a foul mouth, I blow weed out it

Separate these thighs, get the price and eat out it

Ain't no other bitch rowdy like me S-O, S-O, D-E-F, U.C.K.

Y'all bitch ass niggas disbehave me since the first day

Worst way to kill 'em is hit the top of the charts

First week at number one, R&B be a war Leave ya fake-ass manager home

And if you need a nigga to see about me, come along

I keep my enemies a far, don't need a friendly to me

I make at least twenty-five just to breathe on the beat Tell me, how many niggas want to fuck this bitch named

Brat

60644 is where I'm at, come see [Hook: Mystikal & Da Brat] 2x

You don't like!

Come and see about me

You gotta problem!

Come and see about me

You hurry up and come!

Come and see about me

What's up whodi!

Come and see about me [Petey Pablo]

Who a that, the burnin' man, burner man

Yeah, came here to burn some ass

You don't see the burnin' man

You don't see the blazin' hands You don't see 'em when I walk past

(All smokin' in Hell)

The So So, Da Brat brought

Petey Pab and Mystikal Not now one of why'all  
Can fuck with these bulldogs  
Known for breakin' the law, just came home  
Get it on 'bout this damn microphone Who the best, who said this and who said that  
Here go three of the best on this God damn track  
And you can believe that  
Willing to bet my drive check If you don't rewind this back  
Somethin' wrong with deck  
I'm a can't forget spinnin off the wall type shit  
And no it didn't, I'm talkin' 'bout why'all type shit Greensboro to Cuira, Chapel Hill type shit  
Better send them folks to check for this  
'Cause I'm the one that ill [Hook: x2][Mystikal]  
He's runnin' for your majesty, he's lost you with excellency  
His panicked decisions definitely can't stand next to me  
Dick get hard like Rob-eye, look at Hanley  
You know that four can break down hits on shit, be drillin's man We 'gone kill 'em in New Orleans, like kill  
'em for jumb  
As cold as the Arctic, recorded in Georgia (rouff, rouff)  
None the blues don't approve, why'all niggas pink lemonade  
I hit the booth, your whole crew burst the canalade Such a bunch of fuckin' cowards  
Ain't worth the dirt that come off my ass  
You go down the drain when I take my shower  
New Expedition via Eddie Bowers Sometimes I gotta comb these fuckin' rappers hair, fix they collar  
want to be like me, we can take your bitch, and smack that daughter  
Be a man, and tell them bitches what you causin'  
I'm a south cowboy, Howdy!  
Call them creepers, come and see about me [Hook: x2][Mystikal]  
I come up out the cage and, I stand ragin', keep it blazin'  
Bitch I'm crazy, half man, half amazin'  
Half way up the charts, and bitch I'm halfway in your ass  
I'm only halfway with this rhyme, and got half why'all mad Soon as I come in this bitch  
You know I'm comin' in this bitch with somethin'  
The mic parker said "that's a bad rappin' motherfucker"  
I'll bust your ass up like a Mutherfuckin' bug stuck on the windshield wiper, walkin'  
Get 'cha gibber tape, for mister shit-talker  
The Volgar, the champion'll knock your shows off  
I'll cut 'cha like a Newport, with no gauze (oh don't) Bitch I'm stupid like I lost a few more  
Still bossin' 'em, still tossin' 'em  
Still holdin' MC's hand  
Takin' they ass across the street walkin' So let me know when you ready to bust  
With your head on the pavement  
Bring ya ass, you don't need no fuckin' invitation [Mystikal & Da Brat]  
Come and see about me  
Come and see about me, nigga  
Come and see about me

Come and see about me[Hook: x2]

Come and see about me

Come and see about me
