

Repetition Kills You

The Black Ghosts

You feel lonesome, don't you?
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
The light you seek just ain't in you today
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
So bang against the wall
But no one wants to see you fall down
The repetition kills you, the repetition kills you
Oh, the repetition kills you
Put your hands over your eyes
And stumble your way through the night
The repetition kills you, the repetition kills you
Oh, the repetition kills you
You feel lonesome, don't you?
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
The light you seek just ain't in you today
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
So shout until you're here no more
But don't you ever ask yourself why
The repetition kills you, the repetition kills you
Oh, the repetition kills you
Dig yourself a bottomless hole
But don't you ever lose that light
The repetition kills you, the repetition kills you
Oh, the repetition kills you
This is a repetition of words
Dancing needs a repetition to work
You feel lonesome don't you?
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
The light you seek just ain't in you today
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
So bring it up, bring it up, bring it up, yeah
Oh, the repetition kills you
So bring it up, bring it up, bring it up, yeah

Oh, the repetition kills you
So bring it up, bring it up, bring it up, yeah
The repetition kills you
So bring it up, bring it up, bring it up, yeah
The repetition kills you
This is a repetition of words
Dancing needs a repetition to work
