

I'll Never Walk Alone (feat. Langelihle Mbonambi)

Every Nation Music

You know me by name
You called me, You called me
Where all of my days
I'll go where You would go Though I walk through the valley
I am safe, I am safe in Your arms
In the face of life's mysteries
I'm not afraid, I'm not afraid I'll never walk alone
I'll never walk alone
With You by my side
With You by my side Your spirit lives within me
No longer I'm afraid
With You by my side
With You by my side Fallen from grace
You saved me, You saved me
Salvation shines for all Though I walk through the valley
I am safe, I am safe in Your arms
In the face of life's mysteries
I'm not afraid, I'm not afraid I'll never walk alone
I'll never walk alone
With You by my side
With You by my side Your spirit lives within me
No longer I'm afraid
With You by my side
With You by my side I'll never walk alone
I'll never walk alone
With You by my side
With You by my side Your spirit lives within me
No longer I'm afraid
With You by my side
With You by my side I will go where You would go
Take the lead and I will follow You
To places no one goes
Say the word and I will follow I will go where You would go
Take the lead and I will follow You
To places no one goes
Say the word and I will follow I will go where You would go
Take the lead and I will follow You
To places no one goes
Say the word and I will follow I will go where You would go

Take the lead and I will follow You
To places no one goes
Say the word and I will follow I'll never walk alone
I'll never walk alone
With You by my side
With You by my side Your spirit lives within me
No longer I'm afraid
With You by my side
With You by my side I'll never walk alone
I'll never walk alone
With You by my side
With You by my side Your spirit lives within me
No longer I'm afraid
With You by my side
With You by my side I will go where You would go
Take the lead and I will follow You
To places no one goes
Say the word and I will follow I will go where You would go
Take the lead and I will follow You
To places no one goes
Say the word and I will follow I'll never walk alone
I'll never walk alone
With You by my side
With You by my side
