

The Sun The Trees (Acoustic Version)

Russian Red

(Para-para-para-para-para-para)
(Para-para-para-para-para-para)
(Para-para-para-para-para-para)
(Para-para-para-para-para)The sun fills the kitchen in my house.
It's warm and cosy and it helps me breath
And I wonder if you're making people laugh,
'Cause you're funny, you're funny.The trees out of my window dance.
Oh they do, dance with the wind,
and I wonder why, I wonder why,
I wonder why we are apart.
'Cause we're funny, we're funny people, beautiful inside.The sun, the trees, the moon, the sea
the clouds above hang over me.
The sun, the trees, the moon, the sea.(Para-para-para-para-para-para)
(Para-para-para-para-para-para)
(Para-para-para-para-para-para)
(Para-para-para-para-para)The sea goes quiet when the night is dark.
With the lights reflected jump in from the sky
And I wonder if we'll see the moon walk by.
'Cause it's shining, it's shining.
As it lights the shadows, see the moon walk by.The sun, the trees, the moon, the sea.
the clouds above hang over me.
The sun, the trees, the moon, the sea.
The sun, the trees, the moon, the sea.
The sun, the trees, the moon, the sea.
The sun, the trees, the moon, the sea.
The sun, the trees, the moon, the sea.
The sun, the trees, the moon, the sea.
