## Daniel Ash

    Burn man, burn, burn it all  
    Chemical trips and I can face you  
Chemical tricks and the bullshits goneBurn man, burn, burn it all  
    Burn man, burn, burn it allSuicide Jack, I can see you  
    I'm electric fix and you were gone  
    What you didn't know was only skin seep  
Suicide Jack and you are goneBurn man, burn, burn it all
