# Loola Loo (Album Version)

## Keb' Mo'

I'm looking out my window
Feeling kinda blue
I ain't heard from my baby
Did she find somebody new?So I called up her number
And her number had changed
So I climbed up to the mountain
And I screamed out her nameI said, hey, hey, hey, hey
My, my, Loola Loo
Loola Loo, don't leave me
I will do anything for you
Loola Loo, you make me feel so fineLoola Loo, I need you
Don't take your love away
Loola Loo, oh woman, don't make me cry
Don't make me cryI stood out on the corner
I walked up and down the street
Looking for my Loola
With that smile so nice and sweetI'm not gonna hide it
My love just keeps on growing
'Cos she looks so good to me
Whether she's coming or she's goingI said, hey, hey, hey, hey
My, my, Loola Loo
Loola Loo, don't leave me
I will do anything for you
Loola Loo, you make me feel so fineLoola Loo, I need you
Don't take your love away
Loola Loo, oh woman, don't make me cry
Don't make me cryWell, maybe she just needs some time alone
Or maybe my little Loola's heart
Has suddenly turned to stoneI can't give up on Loola
I've got to take a stand
So I wrote this little letter
And I gave to the postmanIt said 'Baby, please call me
Please drop me a line
C'mon throw an old dog a bone
I need to know if you're still mine'I said, hey, hey, hey, hey
My, my, Loola Loo
Loola Loo, don't leave me
I will do anything for you
Loola Loo, you make me feel so fineLoola Loo, I need you

Don't take your love away
Loola Loo, oh woman, don't make me cry
Don't make me cryMy, my, Loola Loo, Loola Loo
My, my, Loola Loo
