T.I.

[Chorus]

Hey shawty tilt that ass up for me  
While you back up to me  
Make it stand up for me, lets go  
Shawty lift that ass up  
Drop it, got it standing rock solid  
With this money in my pocket, here you go  
I make 'em put that ass up for me  
While they back up to me  
Make 'em stand up for me let's go  
Shawty won't you lift that ass up  
Drop it, got it standing rock solid  
With this money in my pocket here you go  
Everything on me if I can put it on you  
Everything on me if I can put it on you  
Everything on me if I can put it on you  
Everything on me, let me put it on you, on you I'm in the club late night get my freak on  
Remy X.O. leave that Hennessy 'lone  
And two three sho' turning me on  
And got nothing but they high hills and they weave on
