

Since I Don't Have You

New Edition

I don't have plans and schemes and I don't have hopes and dreams
I don't have anything since I don't have you
I don't have fond desires and I don't have happy hours
I don't have anything since I don't have you I don't have happiness and I guess, I never will again
When you walked out on me, in walked old misery
And he's been here since then I don't have love to share and I don't have one who cares
I don't have anything since I don't have you
You, you
