

# Mighty Mouse Theme (Here I Come to Save the Day)

## The Sandpipers

[Applause.][ANNOUNCER:] Welcome back to Saturday Night Live!

And now, as a special treat on our first show,

musical guest Andy Kaufman![Applause. A record begins to play.]Mister Trouble never hangs around  
When he hears this Mighty sound:"Here I come to save the day!"That means that Mighty Mouse is on the

way!Yes sir, when there is a wrong to right

Mighty Mouse will join the fight

On the sea or on the land

He gets the situation well in handSo though we are in danger

We never despair

'Cause we know that where there's danger

He is there!

He is there! On the land! On the sea! In the air!We're not worryin' at all

We're just listenin' for his call:"Here I come to save the day!"That means that Mighty Mouse is on the

way![GEORGE:] You know, you show a lot of promise, and, um,

my concern is that I don't know where to

book you. Uh, you're not a stand-up, and, uh,

your act doesn't exactly translate itself

to films, so ... so help me! Where do you

see yourself?[ANDY:] Well, I've always wanted to play Carnegie Hall.[GEORGE:] Ha! Hee! You're insane!

But you might also be brilliant.
