

# Get Up

## Building 429

I used to live my life for me  
I was never down on my knees  
I went to church just to sit in the seats  
I used to love to do nothing  
Salvation got a hold of me  
I was broken down and hurting  
Redemption came as a wave of relief  
But then it followed with a burden  
Thought that I would be living easy  
'Til I finally heard the words You were speaking  
"If you're Mine you will shine!"

(Chorus)

So it's time to get up  
I'm sick of just sittin' around, yeah  
It's time to get up  
I'm listening to the sound, yeah  
It's time to get up  
'Cause all the people on the mezzanine floor  
We can't forget what we were made for  
It's time to get up  
Because our hands were made for reaching out, yeah  
So it's time to get up

Maybe you've been just like me  
Naked, blind, unaware, unseen  
Maybe you've been living for peace  
For no one but yourself  
A lot to do and the workers are few  
He's speaking to me and He's speaking to you  
He sayin' "If you're Mine you will shine!"

(Chorus)

Hey, hey, you need to know that  
We're not afraid to show them  
The Good News so the world will, no doubt  
Shout with the prodigal son!  
Hey, hey, you need to know that  
We're not afraid to show them

The Good News so the world will, no doubt  
Shout with the prodigal son!

(Chorus)

So it's time to get up!
