

# Hands In the Air (REMIXXX)

## Teen Hearts

Girl take my hand  
And let all inhibitions go  
You and me no regrets tonight  
It's Friday night and I'm feelin' alright  
Clap your hands to the beat now with me  
I know this is what you need This is from me to you  
I wanna see you move  
You're running out of time  
So get those...Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it  
Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it Whoooooah it's how the teen hearts do it Keep your feet on the ground girl  
And I swear that  
I'll never let you down  
You and me no regrets tonight  
Girl it's Friday night and I'm feelin' alright  
Clap your hands to the beat now with me  
I know this is what you need This is your last chance  
I wanna see you dance  
You're running out of time  
So get those...Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it  
Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it So keep moving  
Keep dancing  
You know this wont last forever  
In the time it takes for you to let go  
This story's over Let all your inhibitions go and get those Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it

Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it
