

# Cruel, Cruel World

[Prozzeria](#)

I know I can be a little stubborn sometimes,  
I might say, a little righteous and too proud.  
I just want to find a way to compromise,  
'Cause I believe that we can work things out.  
I thought that I had all the answers, never giving in.  
But baby I was wrong, I admit that I was wrong.

All I know is I'm lost without you, I'm not gonna lie.  
How am I going to be strong without you?  
I need you by my side.  
And if we ever say we'll never be together, and ended it with goodbye.  
I don't know what I'd do, You know I'd be lost without you.

I keep trying to find my way.  
But all I know is, I'm lost without you.  
I keep trying to face the day  
I'm lost without you.

How am I ever gonna get rid of these blues?  
Baby, I'm so lonely all the time.  
Everywhere I go, I get so confused.  
You know that you're the only thing that's on my mind.

Oh, my bed's so cold at night  
I miss you more each day.  
Only you can make it right  
No, I'm not too proud to say.

All I know is I'm lost without you, I'm not gonna lie.  
How am I going to be strong without you?  
I need you by my side.  
If we ever say we'll never be together, and ended with goodbye.  
I don't know what I'd do, You know I'd be lost without you.

I keep trying to find my way  
All I know is, I'm lost without you.  
I keep trying to face the day,  
I'm lost without you.

If I could only hold you know,

Make the pain just go away.  
Can't stop the tears from running down my face.  
HELP!

All I know is I'm lost without you, I'm not gonna lie.  
How am I going to be strong without you?  
I need you by my side.  
If we ever say we'll never be together, and ended with goodbye.  
I don't know what I'd do, You know I'd be lost without you.
