Anything

Solitaire Miles

Anything you want
Anything the world has to offer, I can give you
If you just reach out to me, take my hand
Everything a kiss cannot bring, I will give you
If you just say, you will
And it's freedom
In my arms
And it's freedom
In my arms
In my arms
In my arms
In my arms
Anything you want
Anything this world has to offer, I can give you, yeah
All this world and it's glories and it's sins
I will give it all to you, take my hand
If you just say, you will
And it's freedom
In my arms
Well, it's only freedom
In my
In my arms
In my arms
In my arms
Anything you want
It's in my arms
Anything you need
It's in my arms
Anything you want
It's in my arms
Anything you need
It's you
In my arms
In my arms
In my arms
Anything you want
It's in my arms
Anything you need
It's in my arms

Anything you want
In my loving arms
In my arms
In my arms
In my arms
