

Any Major Dude Will Tell You

[Wilco](#)

I never seen you
Looking so bad my funky one
You tell me that
Your superfine mind has come undone Any major dude with half a heart
Surely will tell you my friend
Any minor world that breaks apart
Falls together again When the demon is at your door
In the morning, it won't be there no more
Any major dude will tell you Have you ever seen a squonk's tears?
Well, look at mine
The people on the street
Have all seen better times Any major dude with half a heart
Surely will tell you my friend
Any minor world that breaks apart
Falls together again When the demon is at your door
In the morning, it won't be there no more
Any major dude will tell you I can tell you all I know
The where to go, the what to do
You can try to run but you can't hide
From what's inside of you Any major dude with half a heart
Surely will tell you my friend
Any minor world that breaks apart
Falls together again When the demon is at your door
In the morning, it won't be there no more
Any major dude will tell you
