Hurry Up And Save Me

Tiffany Giardina

I'm going through the same day
Same place, same way I always do
Then I saw you from the corner of my eye
And it hit me like a ton of bricks, I can't lie
Oh, you got to me
My life was alright, living in black and white
But you changed my point of view
Show me your colors, show me your colors
'Cause without you I'm blue
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
I have to have control of myself, my thoughts, my mind
'Cause the way it's going down
In my life, I feel like a prisoner in a light
Are you feeling me?
'Cause the way you make my break my, shake my walls around
I feel like I'm breaking out
Show me your colors, show me your colors
'Cause without you I'm blue
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
My window's opened up, tonight I'm crawling out
Will you be there? Are you waiting?
Will you be there? Will you save me?
You can save me, I know you can save me
I know you can save me so just, so just save me
Without you I'm blue
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Hurry up and save me, hurry up and save me

Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Hurry up and save me, hurry up and save me
Hurry up and save me, hurry up and save me
I just wanna feel alive and I do when I'm with you
Save me, save me
