## **Because**

## **Gerry Rafferty**

(Dave Clark)

It's right that I should care about you

And try to make you happy when you're blue
It's right, it's right to feel the way I do
Because, because I love you
It's wrong to say I don't think of you
'Cause when you say these things
You know it makes me blue
Give me one kiss and I'll be happy

Just, just to be with you

Give me, give me, a chance to be near you

Because, because I love you

Give me one kiss and I'll be happy

Just, just to be with you

Give me, give me, a chance to be near you

Because, because I love you

Because, because I love you
